Embed video to your ad in the digital version of the magazine	
**Production of two standard 2-3 minute videos	
2:4 Ratio Digital Advertising on northwestaerospacenews.com	

*This package option is intended to help create an effective marketing plan. It is not necessary to commit to 12 months if the client wishes to purchase less ads over less duration. Please refer to the media kit for pricing in that case. We will work to schedule advertisers in our Northwest Aerospace News “Live” shows that will be Live Stream events. We can also custom quote variations of the above if a custom marketing plan is desired. Graphic design assistance of ads is a free service we provide if needed.

**Included in video production costs: regional B-roll videography, post production and voiceover. Not included: Still photography, unique production requests, travel expenses if outside of drivable location.

Let's Go! Aerospace Youth Magazine Sponsorship

Show me a youth without hope, and I will show you a youth without future. Nothing brightens the life of any youth better than knowledge and ability to effect a positive change.

Let's Go Aerospace Magazine is on a mission to introduce our youth to the world of Aerospace and Advanced Manufacturing, inspire them to pursue a future career in an exciting industry, and provide them with the tools to make a positive impact.

Your support and participation are vital to the success of this effort. Together we can make a difference.

Join us in this journey to empower our youth with the knowledge and skills they need to create a brighter future for themselves and the world.

Specialty Issues

Northwest Aerospace News

Northwest Aerospace News Magazine partners with the organizations that are created to be industry super highways.

PNAAC ADVANCE

The annual PNAAC Conference is one of the largest Aerospace Conferences on the West Coast drawing attendees from around the world. Our inclusion of the Conference Guide in our Feb/Mar issue is a long valued

I-90 Corridor Aerospace

Our Apr/May issue highlights the I-90 Aerospace Conference held in Coeur d'Alene, Idaho. Our partnership helps create additional visibility for companies from Montana through Idaho and Washington.

Aerospace Resource Guide

As our reputation for sharing details about the Aerospace Manufacturing industry has grown. We decided it would be of value to start every year off with our annual Resource Guide. The Resource Guide is used by supply chain and engineering teams to learn about available resources to satisfy demand.
